

The Mack Chamblee Education Scholarship Program

Purpose: The purpose of this program is to enhance the professionalism of our Association by promoting professional designations through class scholarships.

Ideals: The ideal outcome is that upon completion of a class with the scholarship, the REALTOR® will gain an appreciation for professional education, and begin to personally pursue the professional designation.

A scholarship can only provide a return on investment when the recipient stays in the business, therefore applicants must hold a permanent license.

Awards: Each year the Western Upstate Association of REALTORS® will offer designation scholarships. Each scholarship recipient will receive a voucher for one (1) free designation course (max. value \$99).

Scholarships for designation courses will be awarded to students, who meet the eligibility requirements and are selected by the Scholarship Committee of the Western Upstate Association of REALTORS®.

Recipients must use the scholarship during the year presented and present proof of course completion no later than October 31st of year presented to receive scholarship reimbursement.

Eligibility Requirements:

1. Hold a permanent (not provisional) SC Real Estate Salesman License
2. Must be a primary member of the Western Upstate Association of REALTORS®
3. Have the recommendation of the Broker-in-Charge
