

## Mack Chamblee Education Scholarship Program

**Purpose:** The purpose of this program is to enhance the professionalism of our Association by promoting professional designations through class scholarships.

**Ideals:** The ideal outcome is that upon completion of a class with the scholarship, the REALTOR® will gain an appreciation for professional education and begin to personally pursue the professional designation.

A scholarship can only provide a return on investment when the recipient stays in the real estate business; therefore applicants must hold a permanent license.

**Awards:** Each year the Western Upstate Association of REALTORS® will offer designation scholarships. Scholarships for designation courses will be awarded to students who meet the eligibility requirements and are selected by the Scholarship Committee of the Western Upstate Association of REALTORS®. Each scholarship recipient will receive a voucher for one (1) free designation course (max. value \$99).

Recipients must use the scholarship during the year presented and present proof of course completion no later than October 31<sup>st</sup> of year presented to receive scholarship reimbursement.

### Eligibility Requirements:

1. Hold a permanent (not provisional) SC Real Estate Salesman License
