

Western Upstate Association of REALTORS®

2018 Committee Sign-up

Past committee members are not automatically reinstated to committees from the prior year

Our association relies on the continued involvement and input of our members. As we prepare for the coming year, we seek your participation. Your involvement is crucial to the quality of services and events that we provide our members.

I would like to be involved with the following:

Community Service/Social Committee

The Community Service Committee strives to make significant and positive contributions through a collective effort of service to local charitable organizations.

The Community Service Committee offers opportunities for WUAR members to engage in various projects that are designed to serve our local communities. Throughout the year, the Community Service Committee sponsors and offers programs for members to get involved.

In the past, the Community Service Committee has supported local non-profit organizations including Project Angel Wings, Habitat for Humanity, Adopt-a-Family Christmas Project, Safe Haven Shelter, Wounded Warriors, Miracle Hill Ministry, Our Daily Rest, Clemson Community Care, Salvation Army, Haven of Rest, and Hospice of the Upstate.

RPAC (REALTORS® Political Action Committee)/Legislative Committee

The RPAC Committee implements programs designed to generate funds to be used for political activities, monitor local, state, and national issues that affect the real estate industry and recommends positions to the Board of Directors. This committee also plans, promotes, and hosts our annual legislative luncheon.
